CHIEF COURT OF MYSORE, BANGALORE.

P. No. 37-3—24-25, dated 20th May 1925.

BRIEF REVIEW ON THE WORKING OF THE PROCESS ESTABLISHMENT OF THE SEVERAL MUNSIFFS' COURTS IN THE STATE DURING THE QUARTER ENDING THE 31ST MARCH 1925.

Part I (General).

There was no change in the number of Nazaraths (21) and of the men employed therein (159 amins and 456 peons). In the establishment of the Shimoga Munsiff's Court, the places of six peons were left vacant during the quarter with a view to minimise the loss at which that establishment was working for some quarters, and there were also left vacant the places of two peons in the establishment of Bangalore Second Munsiff's Court, and that of one peon in the establishment of Sagar Munsiff's Court.

2. The receipts were almost the same as in the previous quarter, *viz.*, Rs. 37,076-12-0 against Rs. 37,075-7-0, while the charges rose from Rs. 26,793-12-1 to Rs. 27,079-9-0 (owing to the pay of some of the peons in the Shimoga Munsiff's Court for November and December 1924, amounting to Rs. 388-6-0, held over for future payment for failure to submit their proposal for insurance, having been drawn and disbursed to them), resulting in a net saving of Rs. 9,997-3-0 in the working of the establishment.

3. The average number of processes served by an amin and a peon rose from 71·4 and 149·9 in the previous quarter to 78 8 and 160·8, respectively, in the present quarter (the prescribed minima being 37·5 and 100 respectively). There was also an increase in the number of processes served (from 67,949 to 68,765) and in that served personally (from 47,521 to 48,441). The percentage of personal service was 70·4 against 71·5 in the previous quarter and only four courts, Hassan, Seringapatam, Chitaldrug and Chikmagalur failed to reach 65 per cent. Of these four, Chikmagalur reached only 58·2 per cent and the failure is reported to be due to illness among servers.

4. The percentage of personal service of each court is shown in the appended statement from which it will be seen that eleven courts (against 10 in the preceding quarter) achieved 70 per cent and over and of these, the three best were the Second Munsiff's Court, Tumkur, with 86·6 per cent, the Munsiff's Court, Kolar Gold Fields, with 85·09 per cent and the Munsiff's Court, Sagar, with 77·3 per cent.
